

GOVERNOR WALTON REMOVED FROM OFFICE

SENATE CONVICTS ON GREATER PART OF CHARGES FILED

Unanimous Vote of 40 to 0 on Indictment
Charging Abuse of Authority on Pardons
and Paroles—Administration which Began
in January Marked by Various Sensations

OKLAHOMA CITY, Okla., Nov. 19.—(A.P.)—J. C. Walton, fifth governor of Oklahoma, was removed from office tonight by unanimous vote of the state court of impeachment after his trial on charges of corruption in office, neglect of duty, moral turpitude and general incompetence.

A formal verdict ordering the removal was returned after the executive had been found guilty of 11 of the 16 charges presented. The vote was forty-one to nothing.

Six of the original 22 charges constituting the impeachment bill were dismissed by order of the court.

The court by a standing vote, denied a motion for a new trial which Governor Walton's counsel filed immediately after the verdict was announced.

NEXT CONGRESS WILL CONSIDER TAX REDUCTION

President will Present
Matter at Opening
of Session

WASHINGTON, Nov. 19.—(A.P.)—Consideration of tax revision legislation by the next congress today became virtually certain. Its passage, however, remains in doubt.

Reduction of taxes is to be discussed by President Coolidge in his opening address to congress. How far the president will go in his recommendations has not yet been established but he is said to be disposed strongly to take the recommendations of Secretary Mellon as the basis of the taxation phase of his message. Any suggestion on tax reduction from the president is conceded by leaders to give very prospect of opening up the subject formally before the congressional committees having charge of fiscal affairs as well as in the minds and speeches of members.

The tax problem was discussed briefly today by President Coolidge with Senator Smoot, Republican, Utah, who is to be chairman of the senate finance committee.

Senator Lodge of Massachusetts, the Republican leader who conferred with the president yesterday saw him again today.

Senators Lodge, Smoot and other Republican leaders, while largely in accord with the desirability of Secretary Mellon's plan, are known to hold that practical difficulties presented by the line-up of parties and blocs in congress make the situation difficult. These leaders believe that without a positive majority to prevent riddling of the Mellon plan, its presentation would be unwise. They fear that Democratic and bloc action might result in what they consider harmful rather than beneficial revision.

Confidence that senate Democrats will receive with the fullest possible measure of sympathy the administration's suggestion for tax reductions, was expressed today by Senator Walsh of Massachusetts a Democratic member of the senate finance committee.

HENRY FORD IS NOT CANDIDATE FOR PRESIDENT

Says Those who Started
it will Have to
Finish Job

SIOUX FALLS, S. D., Nov. 19.—(A.P.)—U. S. G. Cherry, prominent Democratic leader of Sioux Falls and an announced candidate for United States senator on the proposed McAdoo Democratic ticket in a statement tonight declared he had been assured in a personal interview with Mr. Ford's secretary that the automobile maker "does not want to be president."

"Henry Ford did not start the 'Ford-for-President' movement and is going to let those who do finish it themselves," Cherry said.

"Before completing a careful study of this entire situation and before making up my mind as to whom I would support for president I met by appointment Mr. E. G. Leibold, general secretary for Mr. Ford. The interview took place in Mr. Leibold's private offices at the Ford plant in Dearborn, Michigan, on October 29th, last.

"The interview was very pleasant. I explained that under the South Dakota primary law in case the state proposal meeting should endorse Mr. Ford he would have to sign a written acceptance of the nomination in order to go on the ballot and that therefore if he should be endorsed and should not sign the acceptance, it would leave our ticket without a head and in a ludicrous situation.

"He replied: 'Mr. Ford is not a candidate for president. He does not want to be president. He wants to devote his life to the same activities and energies as those in which he is at present engaged.'

"I then informed Mr. Leibold of the activities in South Dakota purporting to be in behalf of Mr. Ford.

"Mr. Leibold said: 'Home folks in different states have started this thing and now think Mr. Ford should come in and finish it. He will do nothing of the kind. They can finish it themselves the best way they can.'

"Those on which the governor was convicted in the order of voting were:

That he exceeded his pardon and parole powers in order to permit his friends to collect large fees. Vote 41 to 0.

That he placed his personal chauffeur on the state health department payroll. Vote 35 to 6.

That he prevented the assembling of a grand jury by the use of military measures. Vote 39 to 1.

That he suspended the right to the writ of habeas corpus during the period of martial law in Oklahoma. Vote 40 to 1.

That he issued a \$10,000 deficiency certificate for the state health department in violation of law when no deficiency in funds existed. Vote 37 to 4.

That he issued a deficiency certificate for \$4,000 for a state negro Orphan Home in order to provide salaries for two negro barbers whom he ordered placed on the payroll of the institution. Vote 40 to 1.

That he attempted to prevent a special state election to be held October 2. Vote 37 to 3.

That he exceeded the legal limit of election expenses in obtaining nomination to office. Vote 28 to 13.

That he solicited gifts and contributions for expenses of his office after he was elected. Vote 41 to 0.

That he is generally incompetent. Vote 36 to 4.

The charges on which he was acquitted were:

That he used his official position to obtain personal property and credit. Vote 23 to 18. (Lacking the necessary two thirds majority to convict.)

That he received a \$6,000 bribe to approve an appropriation for the state business academy. Vote 26 to 14.

That he refused to permit the execution of a law providing capital punishment. Vote 11 to 30.

That he illegally named large numbers of known criminals and irresponsible persons as state police. Vote 24 to 17.

That he illegally named a Charles H. Baskin, a member of the state legislature as a district judge. Vote 12 to 29.

The trial ended with no evidence having been presented for the defense, the court previously having voted to proceed with the hearing when Governor Walton unexpectedly withdrew with his counsel after announcing that he no longer could stand "the humiliation of an unfair trial."

The board of prosecution completed presentation of its testimony today with the defense, as

Rulers of Spain Pay Homage to Pope Pius

ROME, Nov. 19.—(A.P.)—Thrice bending the knee before Pope Pius then kneeling on the steps of his throne, King Alfonso and Queen Victoria as "their Catholic majesties" today kissed the pope's toe and then his hand thereby restoring the ancient ceremonial to denote humility and the homage due to the Holy Father by Catholic sovereigns.

It was the most imposing ceremonial seen in the Vatican since the pope became a prisoner. The pontiff was visibly touched by the voluntary act of devotion of the sovereigns which was the outstanding feature of their first day's visit to Rome. After Alfonso had delivered an address to the pope he again essayed to kneel but the pontiff took him by the hand, lifted him to his feet and embraced him.

Both inside and outside the Vatican the scene was a splendid one; outside the Vatican guards were resplendent in their brilliant gala uniforms; while inside the prelates were dressed in their ceremonial robes of red or purple.

After the ceremony in the Vatican king and queen returned to the Spanish embassy to the Holysee where the king received the papal diplomatic corps and sat down to an official dinner at which Cardinal Gasparri, the papal secretary of state, Cardinal Vannutelli and other high dignitaries of the church were present.

Other developments included a decision not to hear further witnesses in defense of former Director Charles R. Forbes, because of a lack of time and the substitution by William G. Lipscomb of Washington of that portion of the affidavit of Frank R. Chambers, Jr., of San Diego, Calif., that a "graft" proposal had been made in connection with a proposition to lease a "Virginia farm to the veterans bureau."

Representative Johnson told the committee that in removing Charles Kasavog, from his state to a Pennsylvania hospital for treatment the bureau had acted in defiance of a restraining order issued by the state courts.

Dr. S. O. Smith one of the committee investigators testified concerning Kasavog's case on November 5, and Mr. Johnson said he appeared to protest against that testimony also against what he characterized as "the manufacturing of evidence" before the committee apparently to be used in a court action at Wilkes Barre, Pa., in the veterans' case.

MORE EVIDENCE OF GRAFT FOUND IN VET BUREAU

Claim Made Patient
was Kidnaped from
Insane Hospital

WASHINGTON, Nov. 19.—(A.P.)—A disclosure that there is a special service section in the veterans bureau which handles cases in which members of congress are interested and a charge by Representative Johnson, Republican, Washington that the bureau had kidnaped a veteran from an insane asylum in his state, marked the hearings today before the senate veterans committee.

Other developments included a decision not to hear further witnesses in defense of former Director Charles R. Forbes, because of a lack of time and the substitution by William G. NEWSPAPER MEN DENIED ADMISSION TO PARIS COUNCIL

Ruling Made on Account of Correspondent
from Germany Entering Hall on Previous
Occasion—Understood That Allies Have
Submitted New Statement on Difficulties

PARIS, Nov. 19.—(A.P.)—The allies after having declared in various ways their determination to disagree on the enforcement of the allied military control in Germany, hesitated when the moment came for the break today and in a final effort to avoid rupture patched up a compromise text of a note to Germany which was submitted to the various governments.

The French cabinet approved the course taken but Great Britain and Belgium had not been heard from when the council of ambassadors met at 6 o'clock for its evening session. Hence the crisis goes over until tomorrow. The gravity of the decision of the ambassadors was called upon to take precautions to surround the deliberations of the council with secrecy.

The French newspapermen were marooned in one wing of the foreign office while the ambassadors were notified that they should make their entrance at the other end. As for the foreign correspondents, including the American and British, they were excluded from the building altogether.

But the Anglo-Saxons, though obliged to shiver in the cold rain while on watch, were the first to penetrate the assets of the council. They discovered the scheme to introduce the ambassadors at the far end of the foreign office, and while awaiting their arrival, were gratified by a cordial salute from General Mangin, whose early morning visit to Premier Poincare was much commented upon in view of the present tension.

Herick Only Optimist
Myron T. Herick, the American envoy, was in appearance the only optimist among the ambassadors.

Viscount Ishii of Japan, grave and taciturn as usual entered the building without looking to the right or left. Lord Crewe of Great Britain was solemn and preoccupied and appeared unaware of the presence of any spectators. Baron Avezano of Italy and Jules Cambon, representing France escaped all observation by entering from the rear but Baron Gaiffir d'Hestroy of Belgium, although serious, had a smile for the photographers, expressing the hope that they would do better by him than previously.

The atmosphere around the foreign office generally was that of impending trouble. American Ambassador Herick, one of the first to arrive and the first to leave was also the first to announce that there would be no break today and the Anglo-Saxon press representatives naturally had the first news. Those were general expressions of relief when the news became known although in the absence of details there was still considerable apprehension.

The compromise reached, it was learned later followed closely the suggestion discussed before the meeting of the council.

This was that the ambassadors send Germany a protest against the lack of facilities for the military control mission but without mentioning what the allies might do in case Germany refused to give the required assurance.

The ambassadors chose two alternative texts which they proposed to submit to their governments for approval.

Both of these texts make it clear to the Germans that the allies mean that the military clauses of the treaty of Versailles shall be carried out and that the inter-allied military control mission in Germany shall be allowed to function under adequate protection.

No Penalties Stated
Neither of the texts, however mentioned the penalties the allies would apply in case of the refusal by the German government to give a satisfactory reply it being left implied as a matter of course that some coercive action would follow such refusal.

This appears to have satisfied the French, since the cabinet meeting later approved Premier Poincare's attitude which could scarcely be separated from the attitude of Jules Cambon who took a leading part in bringing about the compromise.

While the French cabinet was deliberating, Lord Crewe and Baron d'Hestroy communicated the texts to their respective governments' telephones.

The optimism that set in immediately after the morning session of the council diminished when it was learned just before the hour for the evening session

PACIFIC COAST STATES WINNERS IN LAND FIGHT

Supreme Court Upholds
Former Decision

WASHINGTON, Nov. 19.—(A.P.)—The Pacific Coast States won a complete victory in the supreme court today in their efforts to prevent Japanese from acquiring any control over or interest in agricultural lands.

Having a week ago sustained the validity of the alien land law under which aliens ineligible to own or lease agricultural land the court today took the final step to make such legislation completely effective by holding that in the construction of such laws the intention of the states must be carefully considered and that any trans-action which would have the effect of giving such alien control over agricultural lands equivalent to ownership and leasing must be construed as prohibited.

In testing out the alien land laws of California and Washington, attacks were directed not only through proposed leases, as in the two cases decided last week but also through "cropping" contracts and attempts by ineligible aliens to acquire stock in companies authorized to buy and sell agricultural lands.

In a short decision by Justice Butler, the court announced that a state had the power to deny to ineligible aliens, permission to own, lease, use or have the benefit of lands within its borders for agricultural purposes. The state having the power to permit, he said, it may adopt such measures as are reasonably appropriate or needful to render exercise of power effective.

THE TEST OF
CIVILIZATION.

Addressing an audience of com-
munity chest workers, Newton D.
Baker, former war secretary,
says:

"I am interested more in the
good it will do our city to give
this money than in the good the
fund does when it is raised.
"The standard of civilization
among any people is the extent to
which they are swayed by the
humanitarian principle. The
most civilized people is that which
is governed most exclusively by
the humane instinct."

Europe has a habit of assum-
ing that it is much more civilized
than America. Judged by this
standard, it does not seem, at
present, to possess any high degree
of enlightenment, while America
by her deeds of philanthropy and
her disinterested will to help even
where help is refused, seems to
stand forth as the most enlighten-
ed country in the world.

There is nothing really new in
the idea. It was said of old by
the greatest of teachers. "It is
more blessed to give than to re-

ceive." If so, it is also more civil-
ized.

EARNED INCOMES.

Nothing in Secretary Mellon's
plan for the reduction of income
taxes has attracted more favor-
able attention than his proposal
to reduce rate on "earned in-
comes."

Essential justice of that pro-
posal is evident when once the
matter is clearly stated. An "earn-
ed income" is the income of the
man or woman who works for
wages or salary, or fees of any
kind of personal or professional
service. The big majority of our
taxpayers earn their incomes.

"Unearned incomes" in income
from investment or other sources
which do not depend on the effort
of the person receiving it.
The former type of income, as
Secretary Mellon says, is "uncer-
tain and limited in duration." It
is destroyed by sickness or death
and diminished by age. It con-
tinues only while the taxpayer
keeps on working. The latter
comes in just the same regardless
of the idleness or age or health
of the taxpayer, because "the
sources of the income continue."

ADVICE FROM THE P. O.

Uncle Sam appears to be the
first to say what merchants and
everyone else will be saying in a
few weeks. That is, "Do your
Christmas shopping early." But
Uncle Sam adds three other in-
junctions. He says: "Wrap care-
fully, address plainly and mail
promptly." These bits of advice
apply all the year round.

Many parcels are lost or dam-
aged in the mails, but it is only
rarely the fault of postal work-
ers. Packages mailed at main
offices are usually scrutinized
rather carefully. The clerk be-
hind the window asks questions
and tests the scrutiny of the par-
cel and scans the address so that
the most mistakes are caught. But
packages dropped into mail boxes
or posted at stores and small sub-
stations are at the mercy of the
senders.

There is no time like the pres-

NOBODY'S SLAVE
(NEA)

You'd never hear an alarm
clock if you lived in Korea. Peo-
ple there pay no attention to
time, according to the book,
"Wandering in Northern China."
Koreans, reports the author,
have no special hours for any-
thing. They eat when they get
hungry, not before. They don't
go to bed until they're tired, re-
gardless of the clock. And they
don't get up in the morning un-
til they feel like it.

How'd you like this sort of
life?
After all, there's a lot of horse
sense to the Korean system of
eating and sleeping according to
impulse. Impulse or craving is
the voice of nature.

Nature tells us when we need
food.

She tells us when we need sleep.
Our ancestors, back yonder in
cave-man days, probably obeyed
nature's voice. In becoming
civilized, we have somehow gotten
the notion that regularity in our
habits is "the thing."

We are slaves of the clock in-
stead of nature.
What difference does it make?
Well, nearly all of man's prob-
lems are results of violating natu-
ral laws.

Regularity, of course, is nec-
essary in this automatic exist-
ence, civilization. For civilization
is an association of individuals,
a grouping in herds for mutual
benefit. Grouped, we exchange
ideas and the products of our
labors.

Such an exchange necessitates
routine. And, the more highly
civilized we become, the more
routine—mechanical existence—
naturally.

F. P. FAWKNER TO
OPEN STUDIO HERE

F. P. Fawner is soon to come
to Jacksonville from Cairo and
will open a photographic studio in
the Cloverleaf building on East
State street. He will occupy one
of the rooms on East State street
in the part of the building which
is now under construction.

Mr. Fawner began his photo-
graphic work at the State School
for the Deaf here and for sixteen
years has conducted a successful
business in Cairo. He has just
sold his studio there to H. S.
Kubota, until recently of this city.
After Mr. Kubota's East State
studio was damaged by fire he de-
termined upon the southern loca-
tion.

Referring to Mr. Fawner, the
Cairo Citizen in a recent issue
said:

"F. P. Fawner, the well known
photographer of 807 1-2 Washing-
ton avenue, has sold his studio to
H. S. Kubota, of Jacksonville, Ill.,
and will move to that city him-
self, where he will engage in the
same business."

"The Cloverleaf Insurance and
Casualty company of Jacksonville,
is erecting a fine new business
block, similar in outside appear-
ance to the Hillside estate build-
ing in this city and Mr. Fawner
has leased one of the most desir-
able store rooms in the new build-
ing on the ground floor. The
rooms are being finished especially
for Mr. Fawner, who intends to
add an art shop in connection with
his studio. When completed Mr.
Fawner expects to have one of

BERTON BRALEY'S DAILY POEM

THE OUTCAST

BY BERTON BRALEY

I GUESS I'm a musical moron,
For somehow or other I find
That classical stuff doesn't sear on
My burgools and commonplace mind;
Beethoven and Mozart and most of
The masters don't thrill me a bit;
It isn't a thing that I boast of,
But something I have to admit.

I'VE tried to improve; I have listened
To concerts, and struggled to learn
Why eyes of the audience glistened
With pleasure. I failed to discern
Whatever it was that enchanted
Their spirit, and caused them to glow
So now—I just take it for granted
I'm stupid and never will know.

YET when from the saxophones issue
The accents of Kern or Berlin,
I find every fiber and tissue
Is tingling to tune; I begin
To sway to the strange syncopation
Though classical music fails me flat.
What, YOU'RE in the same situation?
Oh well, let's just leave it at that!

OUT OF TOWN SPEAKER
ADDRESSED MINISTERS

W. E. M. Hackleman Addressed
Local Ministerial Association at
Regular Session Yesterday
Morning.

At the meeting of the Minister-
ial Association yesterday the
chief feature was the paper of
Evangelist W. E. M. Hackleman,
the singer at the Christian church
revival meetings, whose subject
was "Spiritual Values in Relig-
ious Pictures." At the meetings
in progress at the church Mr.
Hackleman had illustrated by
stereopticon slides his songs.

Mr. Hackleman interested his
morning audience by the use of
slides showing fifteen of the
world's greatest pictures giving
an interpretation of them. A song,
"Christ is Walking Everywhere,"
was also enjoyed, the words of
the song having been written by
William Reed Donroy, and the
music by Mr. Hackleman during
his work in the city.

The program was presented in
the parlors of the Central Chris-
tian church and the wives as well
as the ministers were the guests
of the Rev. and Mrs. M. L. Pon-
tius.

The following guests were present:
The Rev. and Mrs. H. B. Lewis, Mrs.
A. S. Chapman, the Rev. and Mrs. G.
D. Robertson, the Rev. and Mrs. G.
T. Vezel, the Rev. and Mrs. Thomas
W. Smith, the Rev. and Mrs. F. M.
Rule, the Rev. and Mrs. W. N.
Stearns, the Rev. and Mrs. W. H.
Marbach, the Rev. and Mrs. W. E.
Spoonts, the Rev. and Mrs. A. P.
Howell, the Rev. and Mrs. G. E.
Stickney, the Rev. and Mrs. G. W.
Randle, the Rev. and Mrs. A. K.
Rule, the Rev. H. H. Peters and the
Rev. W. E. M. Hackleman.

PUNCH BOARD OPERATION
ORDERED DISCONTINUED

The local police department
has issued warning to all per-
sons operating punch boards in
the city, prohibited by both state
law and city ordinance. Chief of
Police Kiloran declares that per-
sons violating the law in this re-
gard will be summarily dealt with
if the punch board operation is
not speedily discontinued.

MAN STRICKEN WHILE
PAINTING HOUSE ROOF

William Wilson Dies of Heart
Failure Monday Afternoon—
Was Working at Barton Resi-
dence

William Wilson, 226 Reid
street, was found dead about 4:30
o'clock yesterday afternoon on a
low roof at the residence of H.
B. Barton, 834 North East street,
where he had been painting. A
jury of inquest impaneled last
night by Coroner C. A. Rose,
found that Mr. Wilson came to
his death thru valvular lesion of
the heart.

Wilson's body was discovered
by Mrs. Barton, who was return-
ing from a visit to a neighbor.
When she had left the house about
2:25 o'clock, Wilson was on the
roof painting. On her return she
saw him lying down and thinking
there was something wrong, she
notified her husband. He in turn
notified the police, who came to
the house immediately.

Raymond Stewart, janitor at
the city hall, who accompanied the
police, climbed on the roof and
discovered that Wilson was dead.
From the condition of the body
he had been dead sometime. Stew-
art with the assistance of police,
carried the body from the roof,
and it was removed to the Gil-
ham Funeral Home, where an in-
quest was held at 7:30 o'clock.

The principal witness was Dr.
E. D. Canatsey, who testified that
he had been treating Mr. Wilson
for about a year. He said the
patient had been troubled with
valvular lesion of the heart, and
that last Saturday, when Mr.
Wilson called at his office, his
heart was in especially bad con-
dition. Wilson was complaining
of a cold and had contracted bron-
chitis. It was Dr. Canatsey's
opinion that death was caused by
valvular lesion of the heart.

Mr. Wilson was about 65 years
of age and is survived by a wife
and several children. Obituary
facts will be published later.
The jury of inquest consisted of
Walter Smith, foreman; G. W.
Howard, J. L. Tayman, C. H. How-
ard, Alta Knight, and B. F. Lane,
clerk.

MADE ADDRESS AT
I. C. CHAPEL HOUR

Rev. James R. Smith, whose
mother, Mrs. Kate Murdock, was
the first graduate of the Jack-
sonville Female Academy and there-
fore the first woman to receive a
college diploma in the state of
Illinois—and who is well known
as "Railroad Jim," spoke to the
students of Illinois College yester-
day morning in chapel. Rev.
Smith used as his subject "The
Indians of the Southwest—The
Navajos," and made a very inter-
esting speech on their christian-
ity. Being pastor of the First
Presbyterian church in Fort De-
fiance, Arizona, Rev. Smith has
had much experience with the
Navajo Indians and knows them
and values them for their true
worth.

TELEPHONE TALKS

Sometimes, when a number is asked for on the
telephone, the operator reports that the number
called does not answer.

Experience shows the operator is seldom mistak-
en. In the majority of cases the person called is ab-
sent or not near enough to hear the telephone bell.
Sometimes he is just slow in answering.

"Don't answer" reports would be greatly reduced
if subscribers would be prompt in answering when
their bells ring.

An American Pirate Story with hair-raising stunts

Seeing them in "The Eleventh Hour" is almost a
nerve-upsetting experience. They don't stand still
for a fraction of a second. Nor is anything else in-
animate. Houses seem alive and intent on making
mischief; the ocean rolls and tumbles, all very men-
acingly, as if a dark and hidden purpose prompted
each swish; submarines, torpedoes, liquid iron, mo-
tor-boats, motor-cars—each and all are dastardly
villains—every one of them is bent on making life
intolerable for the heroine! A picture to rouse the
dead!

The despicable villain is a foreign prince. He
is blonde and frightfully suave. He insinuates him-
self into the favor of the heroine, but the hero cuts
him out. Naturally, he's terribly peeved and besets
the hero with congruent dangers. Little marks of
esteem, like pitching him headlong into a cage of
lions, preparing a warm bath for him in a vat of
boiling iron, inducing him to play aide-de-camp to
Father Neptune, are frequent!

Coveting the honor of placing in the Smithsonian Institute at Washington, D. C., a copy of the Revolutionary pamphlet issued by the Greene county board of supervisors, Mrs. T. O. Perry of Oak Park, Illinois, state historian of the Daughters of the American Revolution, writes at some length of the revelation of such work as has been done in Greene county, saying: "I regret very much that there is no chapter of our organization in Greene county and hope there may be one soon. I wish all boards of supervisors would imitate the action of Greene county and issue a history with the location of the grave of each Revolutionary soldier buried in each county."

A civil service examination for an eligible list in the positions of city carrier and clerk in connection with the White Hall post-office was held Saturday, the examination being conducted by

Carl M. Davidson, secretary of the local service board. There were nine participants, representing White Hall, Carrollton, Roodhouse and Patterson. The examination was held in the assembly room of the new high school. Like examinations were also held at Jerseyville and Winchester.

The first district I. O. O. F. meeting of the fiscal year is announced by J. D. Rowe of White Hall, district deputy, to be held in Roodhouse next Tuesday night, at which there is to be a class of candidates for the second degree from Carrollton, White Hall and Roodhouse. Mr. Rowe has been commissioned as district deputy for his third consecutive term. He is an energetic and capable official, and deserves this continued mark of esteem and confidence on the part of the Odd Fellows of Greene county.

HAS FOOT BADLY SMASHED

Fred Verron, a resident of Greenville, Tenn., and now employed with the J. C. Menely company in hard road construction west of the city suffered a very badly crushed foot Sunday, the accident happening by a large concrete mixer. The injured man was taken to Our Saviour's hospital Sunday noon and an X-ray picture was taken under the direction of Dr. W. P. Duncan, which showed that the toes and ankle were very badly crushed.

TWO RESIDENTS OF WINCHESTER PASS AWAY

Death of Miss Lottie Emerick Came Monday Morning and That of Mrs. Frank McGlasson Monday Afternoon—Other News from Winchester

Winchester, Nov. 19.—Miss Lottie Emerick, daughter of Mr. and Mrs. James Emerick, passed away Monday morning at her home east of town, after an illness of several months. Everything possible was done to relieve her suffering and the end came peacefully at the hour indicated. The deceased was a young woman of beautiful character and was eighteen years of age at the time of her death. She was a member of the Methodist church and of the senior class at the community high school, being an especially bright pupil. She loved her church and school life and was also devoted to the members of her family and her friends.

Surviving are the father and mother and one sister, Miss Cecil Emerick. The funeral will be held at 2 o'clock Wednesday afternoon at the Methodist church, and burial will be made in Winchester cemetery.

Aged Woman Dies

Many were surprised to learn of the death of Mrs. Frank McGlasson, which came at 4 o'clock Monday afternoon at the family home on West Cross street. The deceased had been ill of pneumonia for the past two weeks and her condition had been considered serious from the beginning. Mrs. McGlasson was one of the older residents of the community and was the widow of the late Frank McGlasson, well known here in earlier days. She was devoted to home and family and lived a life of unselfish service. She is survived by two daughters and one son.

A more extended obituary will appear later, together with the time of the funeral, which has not yet been announced.

News Notes
A little son was born to Mr. and Mrs. Rudy Bobs at their home west of town Saturday.

Miss Olive Dunlap addressed the Woman's club Monday afternoon, a large company being present. Miss Dunlap gave a very interesting talk about her personal experiences among the immigrants at Ellis Island.

Mrs. Roy Hoots is quite ill at her country home west of town.

What This Buffalo Physician Has Done For Humanity

The picture which appears here of Dr. Pierce of Buffalo, N. Y., was taken in 1910. As a young man Dr. Pierce practiced medicine in Pennsylvania and was known far and wide for his great success in alleviating disease. He early moved to Buffalo and put up in ready-to-use form, his Golden Medical Discovery, the well-known tonic for the blood. This strength-builder is made from a formula which Dr. Pierce found most effective in diseases of the blood. It contains no alcohol and is an extract of native roots with the ingredients plainly stated on the wrapper. Good red blood, vim, vigor and vitality are sure to follow if you take this Alternative Extract. Dr. Pierce's Golden Medical Discovery clears away pimples and annoying eruptions, tends to keep the complexion fresh and clear. This Discovery corrects the disordered conditions in a sick stomach, aids digestion, acts as a tonic and purifies the blood. Write Dr. Pierce's Invalids Hotel in Buffalo, N. Y., and receive confidential medical advice free. Send 10c for trial pkg. tablets. All druggists sell Discovery, tablets or liquid.

INTEREST GROWS IN SPECIAL SERVICES

Dr. Peters Had "The Temptation of Jesus" as Theme at Central Christian Church Monday Night

A large number of men from the Men's Club meeting at Grace church attended the evangelistic service at Central Christian church Monday night. Mrs. Clifton G. Osborne sang "It Was For Me." Mr. Hackleman gave a picture study on "Christ Before Pilate." The service thruout was unusually helpful.

The sermon by Dr. Peters was on "The Temptation of Jesus." It was a man's message and dealt with the great battle of life.

Here are some of the salient sentences in presenting the theme. "The temptation of Jesus was a supreme crisis in his life. He was a young man, thirty years of age. Among the Jews this was youthful.

"The temptation came to Jesus immediately after his baptism. He had just entered upon his life's work. Life is susceptible at this time to any influence that may come.

"The temptation came when Jesus was hungry. He had fasted forty days. He was physically weak. Temptations always come at such a time.

"It came when he was lonely. He was in the wilderness and alone. Human companionship was denied him. In this hour of trial he did not have the encouragement of a friendly word. But he gained the victory.

"Jesus was tempted three times. They are the great temptations of life: appetite, recklessness, and ambition. He was urged to turn stones into bread; to cast himself from the pinnacle of the temple; and to fall down and worship the power of evil in the establishment of his Kingdom.

"He met the tempter every time by saying, 'It is written.' He triumphed. The victory was complete. The devil left him. He refused to use his power for the satisfaction of even a legitimate hunger. He refused to become reckless. He turned away from the sword and accepted Calvary.

"The account significantly says: 'AND behold, angels came and ministered unto him.' God's angels are ready to visit all who honestly face the issues of life. When the tempter is spurned, behold angels come."

California and the Burlington

are solving the winter vacation problem for hundreds of folks who were unable to "get away" during the mid-west's busy summer.

The cost of the trip (minus what it will cost to remain at home) is quite moderate, and the use of THE BURLINGTON—the road to Vacationland—makes the going as enjoyable as the getting there.

The favored route leads through Denver, Pikes Peak Region, Royal Gorge, scenic Colorado, and Salt Lake City—a world-famous steel highway through a large share of America's most inspiring scenic territory. And the rest of the best is to be found in the Pacific Northwest—The American Wonderland—Seattle, Tacoma, Portland, the Columbia River, the Olympics Cascades, the Northern Rockies, Spokane—which may be included in round trip, reduced rate tickets at a surprisingly low additional cost. Let's discuss this in detail.

Test This Out For Yourself—

MANY people who drink coffee regularly are troubled with insomnia; or they feel nervous, "head-achy," or suffer from indigestion.

It may be hard for such men and women to believe that coffee is responsible for the way they feel. Because they have always drunk coffee, it hardly seems possible that this old habit *could* cause trouble.

But there is one sure way to find out whether coffee is harming you. Just stop its use for a week or so, and drink Postum.

Postum is a pure cereal beverage—absolutely free from caffeine, the drug in coffee, which disturbs the health and comfort of many.

After a week or two on Postum, you will sleep better and feel better; then your own good judgment should decide whether you go back to coffee or continue on the Road to Wellville with Postum.

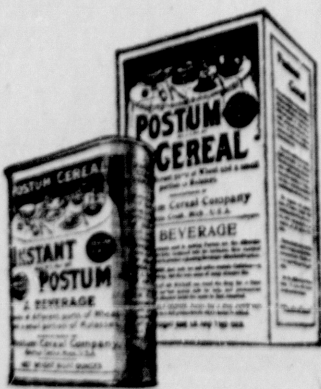

Sold by grocers everywhere!

Postum

for Health

"There's a Reason"

Your grocer sells Postum in two forms: Instant Postum (in tin) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in packages) for those who prefer the flavor brought out by boiling fully 20 minutes. The cost of either form is about one-half cent a cup.

PACKERS' CLAIMS TO BE OFFSET BY GOVERNMENT SUIT

Department of Justice to Investigate Prices Charged

WASHINGTON, Nov. 19.—Swift & Company's claim of a million and a half dollars alleged to be due from the government on a war time contract for army bacon will be met by a counter claim approaching two million dollars for overcharges which the department of justice asserts were made by the Chicago Packing concern in some of its dealings with the government.

The government's brief in the case which the department announced tonight was ready for filing in the court of claims, accuses the packing concern of fraud and numerous other offenses in dealing with the government and asserts it violated its food administration license by taking greater profits than the license permitted during the war.

The Swift Company claim the government's brief asserts and represents "built up" charges, many of which were improper and certain aggravated losses and "pyramided" production costs. All efforts by the government to determine the production costs have failed the brief adds and it says it doubts whether the true damages, if any, ever can be ascertained.

Announcement of the department's move in the Swift case evoked a formal statement from G. F. Swift, the company's vice-president, emphatically denying that the packers' profits were excessive. The statement said the government failed to take bacon for which it had contracted and is now making an effort after a lapse of four years to offset damages claimed by the firm.

ESSINGTON FINISHES TOUR OF SPEAKING

CENTRALIA, Ill., Nov. 19.—State Senator Thurlow G. Essington, candidate for the Republican nomination for governor of Illinois, concluded here today a rapid tour of southern Illinois, in which he addressed voters of five cities. Prior to his arrival here he spoke at Odin, Salem, Sandoval and Patokil.

A group of 40 women from Salem met the candidate at Odin and from this point he was continually escorted by a procession of automobiles containing local party leaders. Speaking at Patokil in particular State Senator Essington made a point of attacking the present state administration.

"It is for the people to say if conduct of this kind represents the Republican party of Illinois," he said.

United Doctors Specialist

Brings the knowledge of a Great Medical Organization and Their Experience in the Successful Treatment of

Thousands of Chronic Disease Cases

Offer Services Free of Charge

Licensed by the State of Illinois

The United Doctors is an organization of reputable, licensed, physicians for the treatment of certain diseases.

They are all specialists. The United Doctors treat, without Surgical Operations or hypodermic injections, diseases of the blood, skin, and all internal organs, rheumatism, sciatica, tapeworm, leg ulcers, weak lungs and all long standing, deep seated diseases.

Thirty-five years' experience and the complete records of thousands of cases successfully treated prove that the methods of the United Doctors are right. They were among the first to be called "Bloodless Surgeons."

Each member of the United Doctors staff has at his command the knowledge and resources of the whole organization.

Many people go on suffering from diseases that can be alleviated just because they cannot afford to go to high priced specialists at a distance from home.

No community has a sufficient number of sufferers from the diseases mentioned to support special hospitals for their treatment and cure.

The United Doctors have solved the problem. Their highly trained specialists travel from place to place. They diagnose and prescribe a course of treatment for the sufferers in each community and teach them how to take care of themselves at home.

Worn-out and run-down men or women, no matter what your ailment may be, no matter what you have been told, or the experience you have had with other physicians. If your case is incurable they will tell you so. Consult him upon this visit. It costs nothing.

Married ladies must come with their husbands and minors with their parents.

NEWSPAPERMEN DENIED ADMISSION TO PARIS COUNCIL

(Continued from Page One)
that the British government had not yet been heard from. Adjournment of the meeting until tomorrow made a very bad impression, being regarded as narrowing the chances for a final accord.

The arguments which induced the French to make their concessions are understood to have been that a compromise text of the note to Germany would leave the way open for them to act later if they saw fit that none of the French rights under the treaty were sacrificed and that the note was such as to make the German government understand that the allies would insist upon all three prerogatives.

Exclusion of the British, American and other foreign correspondents from the foreign office during today's meeting of the ambassadors was explained as due to the fact that a German correspondent slipped into the crowd the other night when the newspapermen were waiting for word from the premier regarding the decisions of the ambassadors. When this fact was called to the attention of the plain clothesmen detailed to protect M. Poincare they complained that in such crowds it was impossible always to identify every reporter.

The German in question was a correspondent for Hugo Stinnes' paper, the North German Gazette. The head of the premier's office has decided that henceforth only French reporters shall be allowed in the lobby. A protest has been lodged by the Anglo-American Press association.

GOVERNOR WALTON REMOVED FROM OFFICE

(Continued from Page 1)
a unit absent from the senate chamber.

The member of the governor's legal staff, however, was in the gallery throughout the day and when the roll call on the charges was started, he took his place at the defense table, entering exceptions to each vote of guilty as it was announced.

New Trial Denied
After the formal verdict ordering the governor's removal had been rendered F. E. Riddle, chief of the defense counsel entered the chamber and presented a motion for a new trial.

Immediately after denying the motion the court adjourned. Lieutenant Governor Trapp, who became governor thru the action of the court himself has gone thru an impeachment fight. Articles seeking his removal in 1921, on charge of corruption in office, were stricken by a senate impeachment court which voted 27 to 16 to quash the charges. The impeachment was in connection with alleged private bond transactions made by the lieutenant governor in Sevier county.

With the close of the impeachment trial today counsel for the deposed executive renewed their plans to carry the fight to the federal courts and completed preparations for a re-hearing Wednesday in United States district court here of an application for a "retroactive restraining order" which would set aside the action of the impeachment court.

The hearing will mark the second attempt to obtain federal intervention in the case, a previous application for a restraining order argued at Lawton, Okla., having been denied by Federal Judge John H. Cotteral.

Defense attorneys announced today that if Judge Cotteral again declines to assume jurisdiction as he did in the Lawton hearing, they are prepared to go at once to the United States supreme court where they will ask a writ of supersedeas which would restore the governor to office pending a final decision of his appeal. They said they would not hope for a decision before March at the earliest.

CORPORATIONS GRANT CHRISTMAS GIFTS

NEW YORK, Nov. 19.—Christmas bonuses to stockholders in the form of increased or extra dividends were announced today by several industrial corporations.

Principal interest of the financial district centered in the increase from \$6 to \$8 in the annual rate on the stock of the E. I. duPont de Nemours and company, which declared a quarterly dividend of \$2 payable December 15 to stock of record December 6.

Childers company operating a nationwide chain of restaurants declared a quarterly dividend of \$2.85, payable December 10 to stock of record, November 16, previous payments on the common being at the rate of \$2 quarterly.

The Calumet and Hecla Consolidated Copper company declared an initial dividend of \$5 a share.

The Kennicott Copper company declared the regular quarterly dividend of 75 cents a share.

Work of pouring the concrete for the new West State street paving was begun Monday morning and proceeded very rapidly. At the rate of speed shown the new foundation should be completed this week, unless hindered by bad weather, after which all will be in readiness for the binding course and finish, thus assuring a completed street in the very near future.

BRIEFS

(By the Associated Press)

Chicago, Nov. 19.—The active launching of a new party movement for 1924, was made today at what was termed a "progressive conference" according to J. A. H. Hopkins of New York, who presided. Resolutions embodying a platform were adopted and a convention will be called.

Harrisburg, Ill., Nov. 19.—Sheriff Small was notified today that three suspects arrested here last Wednesday had confessed to robbing the Burnt Prairie State bank of \$79,000 a week ago. The confession was said to have been obtained when the men were being taken to Taylorville where they are held.

Rockford, Ill., Nov. 19.—Attacked by a negro with a club on a street near her home last night, Mrs. Werner T. Kling, 49, wrestled the weapon from her assailant and beat him with it until he fled. She said the negro demanded money. Mrs. Kling was struck on the head but not severely injured.

Minneapolis, Nov. 19.—Orders to wipe out football pool gambling here were issued today by Chief of Police Brunkill following reports that rambblers had done a rushing business Saturday on college football games, principally the Iowa-Minnesota game. Detectives will be stationed at several pool halls and cigar stores.

Luxor, Egypt, Nov. 19.—Work on the tomb of Tutankhamun was re-started today. Howard Carter, head of the expedition since the death of the Earl of Carnarvon, removed the outer woodwork and opened the iron gates permitted entry into the passage leading to the ante-chamber.

Springfield, Ill., Nov. 19.—Permission to abandon its street car franchise in the city of Streator, and to remove its wires and street car tracks, was asked of the Illinois Commerce Commission by the Illinois Light & Traction company today. The petition alleges a continual loss for the last five years, and adds that citizens of Streator are persuaded the company cannot make money there, and believe they can be served better by motor busses.

Chicago, Nov. 19.—One year and one day in prison was imposed today by Federal Judge Landley on W. L. Needham, manager of the Musician Self Maker Co., in whose trial the government submitted 2,220 exhibits of verses and lines which ambitious embryo poets and writers sent him in the belief that they would be set to music. Needham was convicted of using the mails to defraud. He also was fined \$2,000. He is 63 years old.

Dixon, Ill., Nov. 19.—Dixon's oldest citizen, William Rink, 93, is dead at the age of 93, death resulting from paralysis with which he was first stricken December 1, 1919. He was born in Berlin, Pa., April 19, 1830, and came to Dixon in 1851.

Sioux Falls, S. D., Nov. 19.—In face of Governor McMeisters' threat to sell gasoline at 12 cents per gallon at filling stations in the various towns of the state if dealers did not meet the state price of 16 cents, all Standard and independent dealers except one today maintained the 17-1-2 cent rate. The one independent met the 15-1-2 rate which the governor ordered for Sioux Falls.

Chicago, Nov. 19.—Indications of lessened strain between France and Great Britain led to higher prices for wheat today in the early dealings. Strength of Liverpool quotations was construed as significant in this respect and helped to make buyers here more confident. Opening prices which varied from unchanged to 1-4 cent higher, December \$1.01 7-8 @ 1.02 and May \$1.07 3-8 @ 1-2, were followed by a moderate general upturn.

Chicago, Nov. 19.—(A. P.) —A national convention of Progressive political organizations to nominate candidates for president and vice-president in the name of the Progressive party, Farmer-Labor party or such other name as Progressive voters may have established in various states will be held in St. Paul or Minneapolis next May 30, progressive leaders meeting here to launch a third party decided tonight.

SUCCESSFUL PLAY IS GIVEN AT ROODHOUSE

"The Land of Holland" Presented at M. E. Church in Roodhouse Last Night—To be Repeated Tonight.

Roodhouse, Nov. 19.—A very successful home talent play was given at the M. E. church Monday night and will be repeated tonight.

The production is "The Land of Holland," and is the story of an English girl who's mother decides she is leading too gay a life and sends her to Holland. There she takes up her abode with a Holland Dutch aunt, living the life of a typical Holland-er.

The cast of characters includes the following: all of whom took their parts especially well:

English mother—Mrs. Roy Dilley.

Maiden aunt—Mrs. Jim Symonds.

Marchito—Mrs. Edd Mitchell.

Reginald Vanderlip—Mrs. Ed Palmer.

Dutch Uncle—Mrs. A. E. Cole.

Dutch Aunt—Mrs. Roy Dilley.

Hans—Mrs. Ruth Langley.

Chorus—Messdames, George Richardson, George Ennis, Edd Mitchell, H. A. Ruyle, Perry Campbell, Jim Symonds, Ruth Langley, Edd Palmer.

Young Hansel—Jackie Ricks.

Fair Gretel—Jean Merrill.

The Famous Goose—Otis Cole.

Mrs. Walter Ricks at Piano.

Scene 1—An English Home.

Scene 11—A quaint Dutch house. A queer Dutch mill and a lovely Dutch garden.

Scene 111.—Flight of Hans and Marchito. Arrival of Regie and Aunt Jane—the resolve of the Dutch Aunt and Uncle—Final Chorus.

Little Betty Jean, daughter of Mr. and Mrs. A. C. Hall of Kosciusko street is suffering from an attack of scarlet fever.

H. S. Garrett, travelling salesman, has been very ill at his home on North Main street for the past four weeks with a combination of flu and erysipelas.

J. R. Mawson, one of the long time residents of Morgan county, was removed from his home in South Jacksonville to Our Saviour's hospital yesterday where he underwent an operation. Altho Mr. Mawson is 81 years of age his condition on last night was accounted as satisfactory.

Mr. and Mrs. J. W. Craig expect to leave today for Florida, where they will spend the winter.

Mrs. Amanda Watts is ill at the home of her daughter, Mrs. Herman Shoemaker, in the Buckhorn neighborhood.

The Madaris Construction Co. has received several carloads of material via the Alton, to be used in the construction of the bridge on the hard road at Big Sandy creek. The work of grading is already begun at this point. Cars of iron, cement, gravel, sand, etc., are on the tracks here.

Two cars of hay and three of grain will be shipped from this point to the city markets today.

Mr. and Mrs. William Thompson and family of Buckhorn neighborhood and Mr. and Mrs. H. M. Gocher of Jacksonville spent Sunday as guests of their parents, Mr. and Mrs. Ed Gallagher, in this community.

Friday evening the new schoolhouse at Woodson is to be dedicated. County Superintendent H. H. Vasconcellos of Jacksonville and Rev. A. E. Powell of Fancy Prairie are expected to be the principal speakers.

Several persons narrowly escaped serious accident Sunday afternoon when a car caught fire while taking gas at the Richardson filling station on South Main street. The car drove up to the station and the attendant had started the gas flowing into the tank when he noticed a fire in the car dangerously near the streaming gasoline. He immediately turned off the gas and attaching the hose to a nearby hydrant endeavored to put out the fire. In spite of frantic efforts to extinguish the flames the car was practically ruined.

RUSSELL HALL MET DEATH IN ACCIDENT

Son of Mr. and Mrs. James Hall, former residents and now of Oakland, Calif., fatally injured when struck by Street Car.

George Harney yesterday received a telegram telling of the death of Russell Hall, youngest son of Mr. and Mrs. James Hall, former residents of Jacksonville, but now of Oakland, California, with instructions to deliver the sad message to the boy's grandmother, Mrs. David Hall, of North Main street.

Death was due to injuries received when a motorcycle he was riding collided with a street car. The announcement was made at the Christian church Sunday, the Hall family having been affiliated with that church when residents of Jacksonville.

The young lad, but 19 years old, was engaged in the performance of his duty as special delivery carrier, when the accident occurred. The father was for a number of years proprietor of the Hall Cafe on Morgan street, where the Loop Cafe it now established. Besides the parents, two brothers, Lloyd and Harold Hall survive. Russell Hall when a resident here was a Boy Scout, a member of Christian church Sunday school; a lad greatly beloved by all who knew him.

Miss Sue Stevenson, of Virginia, was a shopper in Jacksonville yesterday.

FORTY AND EIGHT WILL HAVE NEW MEMBERS

Arrangements Made Last Night For Ceremonial Session December 3rd.

The local vantage of the "40-8" met in special session last evening for the purpose of arranging for an initiation of several new candidates, at its next regular meeting December 3. The members plan an oyster supper at 6 o'clock at this meeting after which the initiation will take place. Visiting visitors have been invited to attend this meeting, which from all indications will be one full of real entertainment. The candidates to take the work in the mysteries of the 40-8 are as follows:

Stephen M. Paine, C. L. Whitmore, Hayden Walker, Harry Goodman, Harry R. Herring, Hugh P. Carroll, F. E. Wamamaker, Basil B. Sorrells, William H. Young, W. H. Weirich and David A. Morgan.

An election of officers will take place after the initiation of candidates. At the meeting last night William Meyer, who was the delegate for the local vantage of the 40-8, to the National Convention of the American Legion, in San Francisco, gave a very interesting report of his visit to that city.

Box social and entertainment at Strawn school on State road, 2 miles north of Alexander, Friday night, Nov. 27, at 7:30. Esther Meyer, Teacher.

Double Tragedy From Poison Stirs County

County authorities are seeking the origin of the deadly poison which appears to have caused the death of two children in the family of Mr. and Mrs. R. E. Fox of Chapin in the past six weeks. The presence of the poison in the Fox home was revealed when the two young sons, George and Byron Fox, became violently ill late Saturday night after they had taken capsules supposed to contain quinine. The younger son, Byron Wendell Fox, succumbed to the poison about 2:30 o'clock Sunday morning, after two physicians had waged a strenuous battle to save his life. The older boy was saved, and was able to testify at the inquest held yesterday morning by Coroner Rose. After investigation, it was agreed that the same poison had probably caused the death of Maurine Fox, 14, a student in the Chapin high school, who died suddenly about six weeks ago.

The Fox home is located about a mile and a half north-east of Chapin. About 8 o'clock Saturday evening Byron Fox complained of a cold and his mother told him to take a capsule. He and his brother George each swallowed one of the capsules, and in an hour both were violently ill. Dr. J. H. Fountain and Dr. Lucius Smith were summoned from Chapin. The poison was pumped from the stomach of the older boy, and he recovered. However, the poison which the younger boy had taken went too rapidly thru his system, and he died in intense agony early Sunday morning.

Inquest is held. Yesterday morning Coroner C. A. Rose went to the Fox home and held an inquest. The two physicians and the three remaining members of the family were witnesses. The poison which the boys took was in the family medicine chest. It was in capsules, which were supposed to contain quinine, and Mr. and Mrs. Fox stated that they did not know the poison was there. It was practically proved that the daughter, Maurine Fox, had taken one of the capsules, as the parents testified that there

were four filled capsules in the quinine box the last time they had reason to look. Each of the boys took a capsule and only one remained.

This was taken by Coroner Rose, together with a small bottle containing a bit of white powder, and this evidence has been sent away for chemical analysis. Inquest proceedings are being held up pending a report on the substance in the capsule and bottle.

Mr. Fox told the authorities that years ago he had possessed some poison in a bottle, but that he had emptied the contents of the bottle in the stove and burned the poison. He said he had then filled the bottle with flour and placed it in the medicine cabinet.

George Fox the older son testified that his mother had brought him and his brother the medicine. Mrs. Fox, however, stated that she had told the boys to go to the cabinet and get the capsules.

The family had been in the habit of purchasing supplies of quinine in bulk from a mail order house and filling capsules. Recently, however, they had purchased quinine pills, which the children found easier to swallow. The supply of pills had been exhausted, and on such occasions the capsules were resorted to when quinine was needed.

The mystery of how the poison came to be in the Fox home is puzzling the authorities. The parents stated at the inquest, that the Sunday before the death of Maurine Fox she had complained of a cold and thought she would have to take some medicine. Her mother told her that the only medicine in the house was quinine in capsules. The mother stated, however, that she did not know whether she took the medicine or not.

Byron Wendell Fox was born Oct. 25, 1914. He is survived by his parents and one brother, George. Funeral services will be held at the Christian church in Concord at 2 o'clock this afternoon, in charge of Rev. M. L. Pontius. Interment will be in Concord cemetery.

CITY COUNCIL IN BI-WEEKLY SESSION

Officers and Members all Present—Physicians Ask Revision of Liquor Ordinance.

Mayor Crabtree, City Clerk Scott and all the aldermen were present at the meeting of the city council Monday night. Much of the business transacted was of a routine character.

A petition was read, signed by most of the physicians and surgeons of the city, asking that the city council amend the liquor ordinance of the city to conform with the provisions of the Volstead act. This petition was referred to the ordinance committee and City Attorney Bellatti.

Alderman Bellatti made report of work done on sidewalks in various parts of the city. The alderman also presented some facts relating to traffic conditions on West College avenue.

Resolutions were adopted cancelling certain judgments against Lot 4 in Block 20, City addition, and also with reference to certain judgments for water mains on Howe street.

A petition was read signed by L. Goben and other residents of South East street, calling attention to the need of certain pavement repairs near the corner of South East and Bissell streets.

City Attorney Bellatti reported judgments taken against the Frank and Hare properties on account of unpaid street paving assessments. A request for the paving of the alley adjacent to the Babb garage on South Main street was referred to the proper committee.

At the close of the business session at the suggestion of several of the aldermen, Mayor Crabtree gave an informal account of his recent trip to Halifax, telling about some of the methods of managing municipal affairs there which are quite different from the methods followed in the United States.

WILL BE CANDIDATE FOR RE-NOMINATION

State Auditor Andrew Russel Has Announced That His Name Will Be on the Ballot in Next State Primary

State Auditor Andrew Russel while in Jacksonville Monday made definite announcement of his candidacy for re-nomination and election. "Many of my friends in Jacksonville and Morgan county," Mr. Russel said, "have asked what are my intentions with reference to the coming campaign in this state. I have determined to be a candidate for the nomination for auditor of public accounts and will begin my active campaign work at no distant date."

"I have indicated at various times during recent months that this is my intention and I have no hesitation in saying now that I have definitely determined to take part in the primary election. It goes without saying that I have fully appreciated the cordial support given me here in my home county."

When Mr. Russel first entered upon the duties of the auditor's office there were 806 banks under state supervision and now the number is 1410. The number is said to be larger than is true of any other state in the union. These figures indicate how the business of this one department of the office has grown in recent years.

Mr. Russel is credited with introducing into the office methods of management which have greatly increased its efficiency.

ILLINOIS COLLEGE Y. W. C. A. HELD MEETING.

The members of the Illinois college Y. W. C. A. met yesterday afternoon at 4 o'clock in the girl's room of the Jones building.

FEDERATED CHURCH CLUB FLOURISHES

Membership Has Increased Fifty Percent in Three Weeks Time Address Made Monday Night by Rev. James Smith.

Members of the Men's Federated church club enjoyed a supper served Monday night at Grace M. E. church. An excellent supper was served by the ladies of the church at 6:15 and afterward an address was delivered by "Road" Jim Smith.

Before the speaker was introduced, Carl O. Gordon, as president of the club had H. J. Rodgers read the names of new members, showing an increase of 50 per cent since the first meeting of the club. The attendance last night was 137.

Mr. Smith was introduced as a former resident of Jacksonville who had accomplished great good among men in religious work. Mr. Smith really gave a gospel sermon as he emphasized the need for Christian living, and pointed out that it is an easy thing to obtain unto righteousness if one studies his Bible and clings steadfastly to its teachings. Out of his special purposes was to put over the thought that Christian work is not alone for ministers but that laymen have their responsibility and that they can reach men who would be very unlikely to be influenced in a direct way by the ministers.

At the conclusion of the inspiring address a large number of the men in the company went to Central Christian church to attend the special evangelistic services being conducted there by Dr. Peters and Prof. Hackelman.

WELL KNOWN YOUNG WOMAN DIED MONDAY

Miss Vivian Vieira Answered Final Summons After Brief Illness—Funeral to be Held Tomorrow Afternoon

The death of Miss Vivian Vieira, daughter of Mr. and Mrs. Frank F. Vieira of 738 North East street, came at 12:20 o'clock Monday morning at Passavant hospital, where she had been a patient for only a few days. Miss Vieira underwent an operation for appendicitis, but her condition from the beginning was serious and she grew rapidly worse until the end came as indicated above.

The deceased was well known in this city, which has been her home all her life. She was born Dec. 8, 1902, and was therefore almost twenty-one years of age at the time of her death. She graduated from the local high school in 1921 and later took a secretarial course at Brown's Business college. For the past two years she has held a position in the office of the Jenkinson-Bode Wholesale Co.

Miss Vieira possessed a beautiful voice and had for some time been a student in voice at Illinois Woman's college. She was a member of Northminster Presbyterian church and was especially active in Sunday school work. The death of Miss Vieira brings

deep sorrow to her many friends and she will be greatly missed in church and social circles as well as in the home.

The remains were removed to the funeral parlors of Arthur G. Cody and prepared for burial. The funeral will be conducted from Northminster church Wednesday afternoon.

PROTESTS AGAINST STIFF SWOLLEN TORTURED JOINTS

Rheumatic or Otherwise

Says: "When Joint-Ease Gets in—Joint Agony Gets Out"

It was a high-class pharmacist who saw prescription after prescription fail to help hundreds of his customers to get rid of rheumatic swellings and stiff inflamed joints.

And it was this same man who asserted that a remedy could and would be compounded that would make creaky, swollen, tormented joints work with just as much smoothness as they ever did.

Now this prescription, rightly named Joint-Ease, after being tested successfully on many obstinate cases, is offered through progressive pharmacists to the millions of people who suffer from ailing joints that need limbering up.

Swollen, twinky, inflamed, stiff, pain-tormented joints are usually caused by rheumatism, but whatever the cause, Joint-Ease soaks right in, through skin and flesh and gets right to and corrects the trouble at its source.

Remember Joint-Ease is for ailments of the joints, whether in ankle, knee, hip, elbow, shoulder, spine or finger, and when you rub it on, you may expect speedy and gratifying results.

It is now on sale at all druggists everywhere for 60 cents a tube. (adv.)

THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT

Applicants for Insurance Often Rejected.

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made an astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmer's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.

BIRTHDAY SURPRISE FOR BLUFFS RESIDENT

Albert Knoepfel is Given Pleasant Surprise in Honor of Birthday — Other Bluffs Items.

Bluffs, Nov. 17.—Mrs. Albert Knoepfel entertained a number of friends at her home Friday evening in honor of Mr. Knoepfel's birthday. The evening was spent at cards and music and a delightful time passed until a late hour when delicious refreshments were served by the hostess, assisted by Mrs. Henry Knoepfel. The affair was given as a surprise on Mr. Knoepfel who soon entered in to the spirit of the occasion and gave each guest a royal welcome.

The remains of Daniel Green were brought from Lincoln Friday evening to the Killpatrick undertaking parlor, from which place the burial took place at 10 o'clock A. M. Saturday at the Green cemetery. The remains were accompanied by the two brothers of the deceased, James and John of Lincoln and also a nephew, son of James Green. Daniel Green was a former resident of the vicinity.

Mrs. William Vannier and daughter, Miss Margaret were business visitors in Springfield Saturday.

A number of the people of Bluffs attended the sale of dairy cows owned by Ira Bond at the Onken farm near Chapin Saturday afternoon.

O. G. Parrish, manager of the photoplay theatre has purchased the Brown restaurant in the Halpin building and will conduct this business also.

Mr. Parrish and family will reside at the Lewkowsky home for the present. They recently came from Naples.

MRS. BUTLER'S TERRIBLE PAINS

Vanished After Using Lydia E. Pinkham's Vegetable Compound

W. Philadelphia, Pa. — "When I cleaned house last April I must have overworked, for after that I had pains and aches all the time and was so discouraged I could hardly do my own housework, and I could not carry a basket of groceries from the store nor walk even four or five squares without getting terrible pains in my back and abdomen and lower limbs. I went to visit a friend in Mt. Holly, N. J., and she said, 'Mrs. Butler, why don't you take Lydia E. Pinkham's Vegetable Compound?' My husband said that if it did her so much good for the same trouble, I should try it. So I have taken it and it is doing me good. Whenever I feel heavy or bad, it puts me right on my feet again. I am able to do my work with pleasure and am getting strong and stout." — Mrs. CHARLES BUTLER, 1233 S. Hanson St., W. Philadelphia, Pa.

Disease

Disease existed on earth long before man, says Dr. Charles H. Mayo. He might add that it'll be here long after man becomes extinct—replaced, probably, by insect life.

The majority of diseases are caused by bacteria—which are forms of plant life, parasites struggling to live and multiply in our blood and tissues. The phenomenon, life, is a parasitic process, which is one reason we have poverty and great riches.

The medical profession has made as much progress in the last 23 years as in the last 20 centuries, claims Dr. Charles H. Mayo, the famous surgeon.

Technically this may be so. A similar claim can be set up for most professions and trades. But what really counts is spiritual progress, and no one claims decided gain in this direction. Rather the world has been going backward.

Miners

From the coal-mining regions come the customary seasonal rumors of another strike when contracts expire next spring.

Sometimes—when we ponder the radio and the flying machine and the X-ray and movies and similar marvels—we admit that we're a race of super-men. All these things, though, are little more than World Vaudeville. When it comes to the basic things of life—food, fuel, shelter and clothing—our problems each year seem to get further from solution.

In 1850 Dr. William E. Woodbridge invented a way to make cannons more accurate by rifling the barrels. Uncle Sam grabbed his invention in the Civil War.

WILL TAKE OFF ALL EXCESS FAT

Do you know that there is a simple, harmless, effective remedy for overfatness that may be used safely and secretly by any man or woman who is losing the slimmest of youth? There is; and it is none other than the tablet form of the now famous Marmola Prescription, known as Marmola Prescription Tablets. You can well expect to reduce steadily and easily without going through long sieges of tiresome exercise and starvation diet. Marmola Prescription Tablets are sold by all druggists the world over at one dollar for a box, or you can secure them direct from the Marmola Co., 4612 Woodward Avenue, Detroit, Mich., on receipt of price. (adv.)

For years Woodbridge tried to get fair payment. The other day the Supreme Court finally ruled that his heirs are not entitled to compensation, because of a technicality. Woodbridge having failed to make his final patent application within a certain time.

Law should be the administration of justice. Too often it's decided by technicalities, rather than merits. Lawyers frame our laws that way so they'll have business.

Youngsters

Head librarian in Detroit finds that children, in taking out books for enjoyment, select a work of fiction only every third book. Travel books come next. Poetry is extremely popular. Fairy tales and books of science are about equally sought. There's a great demand for printed plays.

Times are changing. We recall that in our own childhood it would have been little short of phenomenal for a child to select anything except fiction at the public library. Is the rising generation going to be cursed with too much intellect?

COACH ZUPPKE HAS RESPECT FOR OHIO

Illini Have First Monday Scrimmage of the Year—All Regulars Are in Good Shape for Saturday's Game

URBANA, Ill., Nov. 19.—Coach Rob Zuppke showed how much he respects Ohio State by scrimmaging his 'varsity' tonight, the first time the regulars have scrimmaged on the Monday after a game this year. Coach Zuppke saw Ohio lose to Chicago Saturday but failed to bring back much data on

the Buckeye forward pass attack as Coach Wilce used little besides straight football. Melvain and Crawford were rested tonight, Schultz getting in at Melvain's halfback berth, while Jackel went in at tackle for Crawford. The 'varsity' took the defensive against the freshmen using Ohio plays. The youngsters were able to make substantial gains on tackle smashes and short passes. The Illini looked bad against the passing attack used by the Mississippi A. & M. squad Saturday and Coach Zuppke plans to spend a good deal of time this week teaching his squad to stop the Buckeye aerial attack.

The squad came thru the Mississippi game with no injuries other than the usual soreness. The regulars played less than half a game against the Southerners.

THREE UNDEFEATED CONFERENCE TEAMS ENTER FINAL WEEK

Illinois, Michigan and Minnesota Prepare for Saturday Contests

CHICAGO, Nov. 19.—Three Western Conference teams, Illinois, Michigan and Minnesota are undefeated today as they enter the final week of Big Ten football.

Illinois, who easily defeated the Mississippi Aggies Saturday, plays Ohio State at Columbus, Michigan and Minnesota clash at Ann Arbor in the feature contest. The Illini are credited with having a decided edge over Ohio.

The Minnesota-Michigan game holds the greatest doubt. The Gophers by defeating Iowa Saturday, 20 to 7, displayed unexpected strength while Michigan could only beat the less experienced Wisconsin 6 to 3. In that contest, Jack Blott, regular Wolverine center took a place alongside Uteritz on the injured list.

Should Illinois overcome Ohio as expected and either Michigan or Minnesota win there would be a tie, judging on a percentage basis, Minnesota, however has a tie score with Wisconsin with which to reckon.

Next week Wisconsin plays Chicago at Chicago in a game that attracts wide attention. Iowa meets Northwestern at Evanston, a heavy favorite over the Purple and Purdue meets Indiana at Bloomington.

Michigan defeated Wisconsin when Rockwell, substitute quarterback on returning a punt was twice knocked down by Badger players and regained his feet to race 55 yards for a touchdown with Wisconsin men looking on. They contended that Rockwell had been tackled and the ball made dead. Officials ruled Rockwell had kept the play moving and that Michigan was entitled to the touchdown.

In the Minnesota-Iowa game the Gophers' attack baffled Iowa Chicago won from Ohio in a game that specialized in long runs. John Thomas showed himself the Chicago star.

Northwestern kept its place in the Big Ten cellar when defeated by Purdue 6 to 3. Wabash defeated Indiana 29 to 6 in a non-conference contest.

MARQUETTE WILL NOT MEET CENTENARY

Milwaukee, Wis., Nov. 19.—The Marquette University football team undefeated since November, 1921, will not accept the invitation of Coach Ho McMillen to journey to Shreveport, La., to meet McMillen's Centenary college aggregation on December 8. It was announced tonight by Marquette athletic board. Faculty objection and the extra period of training that would be required are understood to be the reason for refusing McMillen's offer.

CAPTAIN BOELTER WILL PLAY AGAINST OKLAHOMA

Des Moines, Iowa, Nov. 19.—Captain William Boelter, star halfback of the Drake University football team who was ankle was hurt in the Drake-Kansas game Saturday will be able to resume practice late this week and will be in shape to play against Oklahoma Thanksgiving Day. It was announced tonight.

YALE STARTS WORK FOR HARVARD GAME

WILL OFFICIATE AT ALL-STAR GAME

Cleveland, Ohio, Nov. 19.—Knut K. In which a picked team from Cleveland will play a Detroit eleven for the local stadium fund.

TWO GREAT BACKS PLAY LAST COLLEGE GAME SATURDAY

ANN ARBOR, Mich., Nov. 19.—Harold Kipke and Earl Martineau captains respectively of the Michigan and Minnesota football teams and half backs extraordinary, close their college gridiron careers here Saturday when their teams, both unbeaten clash at Fory Field.

Martineau has been the star of a losing team. Seven times since he became a player on Gopher eleven he has tasted defeat.

Six times his team has been victorious and twelve it has played tie games.

Kipke has been the star of a winning team. Only once since he became a member of the Wolverine squad has he known defeat.

Kipke leads a team shattered in its last three games and minus the services of two of its greatest stars—Uteritz, quarterback and Blott, center. It will be a "Sophomore team" as one coach called it at least five of the players being second year men.

ILLINI FANS FOLLOW TEAM TO COLUMBUS

URBANA, Ill., Nov. 19.—Illinois rooters will follow the fighting Illini to Columbus next week to witness the final battle in the championship campaign. Already 1000 tickets have been sold and it is predicted that another 1000 will be gobbled up this week.

The football squad will depart Thursday night on the Big Four but the rooters wait until Friday night when two specials on the same railroad are billed, one at 9 o'clock and the other at midnight. The Illinois band of 100 pieces will also embark.

On top of this there will be a big motor car movement. Every student who has a car of any kind is studying road maps. Many football lovers in other towns of the state plan to come here to ride on the specials while others have arranged motor trips.

The Buckeyes expect a big crowd but with seating capacity of 70,000, there are still plenty of seats available. Those who desire to sit with the Illini rooters may order tickets from Manager Frank H. Beach this week.

Bob Zuppke plans a vigorous drilling of the Illini. They were allowed to take things fairly easy last week although day by day "Zup" increased the practice dose. Illinois regards the Ohio encounter as a stiff one. The Bucks traditionally play their best against the Illini. Dr. Wilce and Zuppke have coached teams which have won an even number of games from each other.

To claim the odd game is the dream of each coach. And Illinois wants to wipe out last year's defeat while the Buckeyes have the memories of 1921 and 1919 to wipe out when the Illini won at Buckeyetown.

WILL FIGHT HARD FOR "LITTLE BROWN JUG"

Enthusiastic Gopher Fans are Predicting a Victory Over Old Rivals

Minneapolis, Minn., Nov. 19.—To bring back to the Minnesota trophy cage the "Little Brown Jug" cherished symbol of gridiron supremacy between Michigan and Minnesota, was the incentive that today sent a joyful band of Gopher grid warriors to Northrop field for the first practice of the week in preparation for the Wolverine game at Ann Arbor Saturday.

The story of the Little Brown Jug with all the hallowed tradition it "connotes" is a familiar tale to every member of the Gopher team and for the first time in several years the feat of regaining possession of its looms up as an attainable goal.

Enthusiastic Gopher followers are already predicting a Minneapolis victory over Michigan and at least a tie for Big Ten honors, but Coach Bill Spaulding and his Gopher pupils are fully aware of the formidability of any Yost-coached team, especially one with its back to the wall.

They figure that the loss of Blott, center and Uteritz, quarter both stars of the first magnitude will only serve to inspire the Wolverines to desperation.

Hence a warning against the germ of over confidence was sounded by Coach Spaulding today.

SIKI WILL FIGHT KID NORFOLK TONIGHT

NEW YORK, Nov. 19.—Battling Siki, who wrestled the title of world's light heavyweight champion from Georges Carpentier, makes his American ring debut tomorrow night at Madison Square Garden in a 15 round match with Kid Norfolk. Both expect to make 175 pounds by tomorrow afternoon and the victor will lay claim to the negro light-heavyweight championship. Siki has undergone strenuous training for the match.

WESTVILLE WOULD MEET MOLINE HIGH

Danville, Ill., Nov. 19.—Coach Sutherland of the Westville High school football team is very anxious to play the Moline High school team for the high school championship of the state. He is willing to pit his miners against Moline at any time or place.

Moline has vanquished all adversaries in the northwestern portion of the state, and the Westville squad are "acknowledged masters of the Wabash valley, having won seven games in a row, scoring 321 points and never having their goal line crossed.

79.53.
Total bond sales par value
\$9,189,000.

NEW YORK STOCKS

Nov. 19.—All
speculative markets moved briskly
upward today, chiefly on the
announcement that a break be-
tween Great Britain and France
had been averted at least tem-
porarily. The outstanding fea-
ture was the sensational anti-
cipated jump in sterling exchange
which has established a new low
record of \$4.264 earlier in the
day. Stock prices advanced one
to four points, active industrial
and railroad bonds moved up a
point or more, cotton figures sold
at the highest prices in three
years and grain quotations aver-
aged about 1c higher.

The upward movement in stock
prices also was aided by a series
of favorable dividend develop-
ments; by reports that President
Coolidge had approved Secretary
Mellon's tax reduction program
and by the increase in pig-iron
prices.

Baldwin, Studebaker, Ameri-
can Can and Gulf States Steel
closed three or more points high-
er and Davidson showed a net gain
of four points, buying of this is-
sue being predicted on reports
that negotiations for the use of
the Silica Gel process were being
carried on with other refining
companies of the Standard Oil
group in a contract with Vacuum
having been closed last week.

Steel shares were slightly heavy
at the opening but they soon
moved up with the rest of the
list. Ralls lagged somewhat be-
hind the industrials.

Call money opened at 4 1/2
percent and then advanced to five
percent. Time money and commercial
paper rates were unchanged.

Active U. S. Government bonds
generally gave ground but reces-
sions were small.

CURTIS TEMPLIN
You can be free from Eczema!
WIERD, creeping, annoying sensations—scratch—scratch—eczema and other skin eruptions, spoiling your complexion—causing you uncalled for embarrassment—anguish—ruling your temper. All because of impurities that are rampant in your system—because your red blood cells are dormant.
S. S. S. clears up skin eruptions through its power of cleansing the blood. Herbs and barks, carefully selected and scientifically prepared and proportioned, which make up the ingredients in S. S. S. are the most feared and dreaded enemies of skin disorders. Eczema, pimples, boils, blackheads and other skin diseases pack up and leave the system when S. S. S. sends new rich blood coursing through your veins.
Have a general house cleaning for your system. Let S. S. S. rid you of those impurities which tend to keep you in a run-down condition. Skin disorders are nothing more than billboards announcing that the system is "off color." S. S. S. is sold by the leading drug stores. The large size bottle is the more economical.

PIMPLY? WELL, DON'T BE
People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets
A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.
Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel, there's no sickness or pain after taking them.
Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.
No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.
Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.
Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.
